**Brampton, ON**, May 31, 2017 – Doors are officially open at the newly redesigned CAA Store in Brampton following a recent relocation and renovation.

From the moment customers and members walk through the new doors of the CAA Store in Brampton, they feel right at home.

“We are delighted to unveil an all-new store experience for our members and customers in Brampton. The new store represents our commitment to delivering exceptional travel and member experiences,” said Donald Kaye, Director, Customer Experience Retail, CAA Club Group.

The improvements to the 4,162-square-foot store are a combination of technology and convenience, featuring a video wall, digital displays and plenty of comfortable seating for customers.

“The new CAA Store in Brampton is truly a one-stop shop, offering everything from booking an amazing vacation and updating passport photos to purchasing movie tickets and reviewing your insurance needs. Everyone is encouraged to come explore and meet our associates,” added Kaye.

The home-inspired design comes complete with a living room where customers can sit back and take in the “view” or browse a tablet while they wait to speak to one of our knowledgeable and experienced associates. A warm fireplace creates an inviting ambience for home and auto insurance customers in the den-like section of the store.

The CAA Store in Brampton, located at 215 Delta Park Blvd., Brampton, ON, is one of 34 retail locations in the South Central Ontario region.
