CAA Dutch Reach Fine 30

[Music plays throughout]

00:00:00:04 - 00:00:04:16

Narrator >> Here is a great tip to help you add cyclists to your watchlist.

[Described video: *A cyclist crosses in an intersection while a car waits*]

[Text on screen: *Add cyclists to your watchlist*]

00:00:04:16 - 00:00:06:14

Narrator >> It's called the Dutch Reach.

[Described video: *A driver takes his seatbelt off*]

[Text on screen: *The Dutch Reach*]

00:00:06:14 - 00:00:09:07

Narrator >> Reach your opposite hand towards the door.

[Described video: *The driver's hand reaches towards the car door*]

[Text on screen: *01 Reach with your opposite hand towards the door.*]

00:00:09:07 - 00:00:17:14

Narrator >> Turn your head and look over your shoulder, checking for oncoming cyclists. Safely exit your vehicle once the road is clear.

[Described video: *The driver opens his car door slightly while turning and looking over his shoulder, then gets out of the car*]

[Text on screen: *02 Turn and look over your shoulder, checking for oncoming cyclists.*]

[Text on screen: *03 Safely exit your vehicle.*]

00:00:17:14 - 00:00:23:02

Narrator >> This can be used by drivers and passengers to help prevent you from dooring cyclists.

[Described video: *A cyclist rides along a bike lane*]

[Described video: *A woman takes her seatbelt off while sitting in a car*]

[Text on screen: *Add cyclists to your watchlist*]

00:00:23:02 - 00:00:30:00

Narrator >> Do the Dutch Reach next time you exit your vehicle, and we can all watch out for each other.

[Described video: *The CAA logo and slogan “Driven by Good™” and text appear over a white background*]

[Text on screen: *Watch Now*]
